

# Corrigendum: Exploring barriers to blockchain technology adoption in global supply chains

1944

It has come to the attention of the publisher that the article Pandey AK, Habibi MK, Pratap S, Bagchi A (2026), “Exploring barriers to blockchain technology adoption in global supply chains”, *Benchmarking: An International Journal*, Vol. ahead-of-print No. ahead-of-print. <https://doi.org/10.1108/BIJ-04-2024-0285>, was published with the incorrect affiliation for 2nd author “Muhammad Khakim Habibi”.

The affiliation was incorrectly listed as “Department of Business Management, Rennes School of Business, Rennes, France” and has now been corrected to “Department of Operations and Analytics, Rennes School of Business, Rennes, France”.

The publisher asks that affiliation information be entered correctly at submission and confirmed at article proofing stage.
