

## PREFACE

This is the sixth volume in the highly successful book series, which is a collaboration between ISBE and Emerald publishing. *Contemporary Issues in Entrepreneurship Research* is an official book series of the Institute for Small Business and Entrepreneurship (ISBE) and is published in collaboration with ISBE and Emerald: [www.isbe.org.uk](http://www.isbe.org.uk)

Volumes comprise of specially selected papers submitted to the ISBE annual conference in addition to invited external expert contributions. Each volume is designed around a specific theme of importance to the entrepreneurship and small business community. Chapters collectively explore and develop theory and practice in the field of entrepreneurship and small business, while the emphasis of the research is on quality, currency and relevance.

Professor Joyce Liddle has edited a stimulating collection of chapters in this volume, which brings together work from well-respected scholars in the field.
