

INTERNATIONAL FINANCE REVIEW

Series Editor: J. Jay Choi

International Finance Review is an annual book series in the international finance area (broadly defined). The IFR will publish theoretical, empirical, institutional, or policy-oriented articles on multinational financial management and strategies, global corporate governance and risk management, global capital markets and investments, emerging market finance, international financial economics, or related issues. Each volume generally will have a particular theme. Those interested in contributing an article or editing a volume should contact the series editor (J. Jay Choi, Temple University, jjchoi@temple.edu).
