# ACKNOWLEDGMENTS AND DEDICATION

*“Writing is easy. All you have to do is cross out the  
wrong words.”*

Mark Twain

In writing *The Savvy Investor’s Guide to Building Wealth Through Alternative Investments*, we kept Mark Twain’s comment in mind. Hopefully, we crossed out the wrong words and kept the right ones. However, the publication of this book was a team effort. Everyone at Emerald Publishing involved with this book provided exceptional guidance, especially Charlotte Maiorana (Vice President), Hayley Coulson (Content Development Editor), and Lidiya Prince (Copy Editor). We also owe our respective institutions – the Kogod School of Business at American University, the Black School of Business at Penn State Behrend, and the Frank G. Zarb School of Business at Hofstra University – a debt of gratitude. Finally, we thank our families for their support and understanding: Linda and Rory Baker; Mickey, Judy, Janis, Aaron, Andrea, Kyle, and Grant Filbeck; Terry, Harrison, Teresa, Robin, Kate, and Hudson Spieler.
