

Corrigendum: Entrepreneurial motivations and intentions: investigating the role of education major

It has come to the attention of the publisher that the article Solesvik, M.Z. (2013), "Entrepreneurial motivations and intentions: investigating the role of education major", published in *Education + Training*, Vol. 55 No. 3, pp. 253-271, <https://doi.org/10.1108/00400911311309314> has been found to include significant similarities to a previous publication by the author and several co-authors, which was not referenced in this article. In addition, Table 1 in the article has been found to contain errors. A large portion of the data contained in this table was incorrect. The similar source is Solesvik, M., Westhead, P., Kolvereid, L. and Matlay, H. (2012), "Student intentions to become self-employed: the Ukrainian context", *Journal of Small Business and Enterprise Development*, Vol. 19 No. 3, pp. 441-460. <https://doi.org/10.1108/14626001211250153>. The author guidelines for *Education + Training* state that articles must be original and fully referenced. The incorrect data in Table 1 has now been corrected in the online version. The author sincerely apologises for this.
