

Retraction notice: Exploring the role of environmental literacy and social norms in farmers' LMTT adoption: evidence from China

The publisher of the *International Journal of Climate Change Strategies and Management* wishes to retract the article by Songqing Li, Xuexi Huo, Ruishi Si, Xueqian Zhang, Yumeng Yao, Li Dong (2022), "Exploring the role of environmental literacy and social norms in farmers' LMTT adoption: evidence from China", published in the *International Journal of Climate Change Strategies and Management* as part of a special issue, Vol. ahead-of-print, No. ahead-of-print, <https://doi.org/10.1108/IJCCSM-12-2021-0138>

It has come to our attention that there are concerns that the peer review process was compromised; as a result, the standard of the article does not meet those expected by the journal and the findings cannot be relied upon. The issue is with the review process, and there is no evidence that the authors were involved or concerns regarding the authorship. The authors would like it to be noted that they are not in agreement with this retraction. The publisher of the journal sincerely apologises to the readers.

The retracted article is available at: <https://doi.org/10.1108/IJCCSM-12-2021-0138>
