
Retraction notice: Legal regulation of the state financial guarantees of medical services for the population: domestic and international experience

International
Journal of Health
Governance

419

The publisher of the *International Journal of Health Governance* wishes to retract the article Lytvyn NA, Berlach AI, Kovalko NM, Melnyk AA, Berlach HV (2022), “Legal regulation of the state financial guarantees of medical services for the population: domestic and international experience”. *International Journal of Health Governance*, Vol. 27 No. 4 pp. 378-390, doi: <https://doi.org/10.1108/IJHG-01-2022-0008>.

It has come to our attention that there are concerns regarding the authorship and provenance of the article; as a result, the article’s findings cannot be relied upon. The decision to retract has been informed by [COPE’s guidelines on retractions](#) and [Emerald’s publishing ethics](#). Emerald’s authorship policy guidelines make it clear that authorship is a fundamental aspect of transparency in the publication process and ensures accountability and responsibility for reported research. Despite attempts to contact the authors, the journal has received no response; it should be noted that the contact addresses provided to the publisher on submission were found to be not legitimate institutional email accounts and are now invalid. The publisher of the journal sincerely apologizes to the readers.
