Publisher's
note

847

The publisher would like to inform readers that some special issue papers have been mistakenly omitted from the special issue “The Fourth Industrial Revolution (Industry 4.0): Technologies Disruption on Operations and Supply Chain Management”. This error was introduced as part of the editorial process, and the publisher sincerely apologizes for this error. The omitted papers have now been published in *International Journal of Operations & Production Management*, volume 40, issue 6.

The following papers were originally intended to publish as part of “The Fourth Industrial Revolution (Industry 4.0): Technologies Disruption on Operations and Supply Chain Management” guest edited by Lenny Koh, Guido Orzes and Fu Jia:

Ancarani, A., Di Mauro, C., Legenvre, H. and Cardella, M.S. (2019), “Internet of things adoption: a typology of projects”, *International Journal of Operations & Production Management*, Vol. 40 No. 6, <https://doi.org/10.1108/IJOPM-01-2019-0095>.

Shou, Y., Zhao, X. and Chen, L. (2019), “Operations strategy of cloud-based firms: achieving firm growth in the Big Data era”, *International Journal of Operations & Production Management*, Vol. 40 No. 6, <https://doi.org/10.1108/IJOPM-01-2019-0089>.
