# Advances in Cement Research: Referees 2023

The following is a list of referees who have reviewed papers for *Advances in Cement Research* between 1 December 2022 and 30 November 2023. The Institution of Civil Engineers is very grateful for their assistance.

We are continually looking for suitable reviewers for papers submitted to *Advances in Cement Research*. Papers published in the ICE journals must be submitted to at least two independent referees to judge accuracy, style, impact, importance and interest.

If you are interested in reviewing articles on any topic related to geotechnical engineering, please submit your name, qualifications or CV, and areas of expertise. We are in need of individuals who will agree to review papers in a timely fashion (within 3 to 4 weeks of receipt) and provide confidential feedback to the Editorial Advisory Panel concerning the quality of the paper and any suggested revisions that would be appropriate.

If you are such a person, please contact Kirsten Buchanan (tel.: +44(0)132 340 7132; e-mail: [kbuchanan@emerald.com](mailto:kbuchanan@emerald.com) for more information on the referee process.
