

Advances in Cement Research: Reviewers 2024

The following is a list of referees who have reviewed papers for *Advances in Cement Research* between 1 January 2024 and 31 December 2024.

We are continually looking for suitable reviewers for papers submitted to *Advances in Cement Research*. Papers published in the ICE journals must be submitted to at least two independent referees to judge accuracy, style, impact, importance and interest.

If you are interested in reviewing articles on any topic related to advancing cement research, please submit your name, qualifications or

CV, and areas of expertise. We are in need of individuals who will agree to review papers in a timely fashion (within 3 to 4 weeks of receipt) and provide confidential feedback to the Editorial Advisory Board concerning the quality of the paper and any suggested revisions that would be appropriate.

If you are such a person, please contact Rebecca Rivers; e-mail: riversr@emerald.com for more information on the referee process.
