

Bridge Engineering: Reviewers 2025

The following is a list of referees who have reviewed papers for *Bridge Engineering* between 1 January 2025 and 31 December 2025.

We are continually looking for suitable reviewers for papers submitted to *Bridge Engineering*. Papers published in the ICE journals must be submitted to at least two independent referees to judge accuracy, style, impact, importance and interest.

If you are interested in reviewing articles on any topic related to advancing cement research, please submit your name, qualifications or CV, and areas of expertise. We are in need of individuals who will agree to review papers in a timely fashion (within 3 to 4 weeks of receipt) and provide confidential feedback to the Editorial Advisory Board concerning the quality of the paper and any suggested revisions that would be appropriate.

If you are such a person, please contact Rebecca Rivers (e-mail: rrivers@emerald.com) for more information on the referee process.
