

# Construction Materials: Reviewers 2024

The following is a list of reviewers who have reviewed papers for *Construction Materials* between 1 January 2024 and 31 December 2024. Emerald Publishing is very grateful for their assistance.

We are continually looking for suitable reviewers for papers submitted to *Construction Materials*. Papers published in ICE journals must be submitted to at least two independent reviewers to judge accuracy, style, impact, importance and interest.

If you are interested in reviewing articles on any topic related to construction materials, please submit your name, qualifications or CV, and areas of expertise. We are in need of individuals who will agree to review papers in a timely fashion (within 3 to 4 weeks of receipt) and provide confidential feedback to the Editorial Advisory Panel concerning the quality of the paper and any suggested revisions that would be appropriate.

If you are such a person, please contact Rebecca Rivers ([rrivers@emerald.com](mailto:rrivers@emerald.com)) for more information on the review process.
