Corrigendum: Experimental analysis of pre-processing methods to improve natural fibre performance in concrete

It has come to the attention of the publisher that the article Kalyani VS, Bhuinyan SS and More VB (2026), “Experimental analysis of pre-processing methods to improve natural fibre performance in concrete”. *Proceedings of the Institution of Civil Engineers – Construction Materials*, Vol. 179 No. 3, pp. 266–274, doi: <https://doi.org/10.1680/jcoma.25.00044> published the incorrect ORCID iD for author Shilpi Sippi Bhuinyan.

Shilpi Sippi Bhuinyan’s ORCID iD was incorrectly listed as 0000–0002–4122–66296 and has now been corrected to 0000–0002–4122–6626.

The publisher asks that all author information be entered correctly at submission and confirmed at article proofing stage.
