

It has been brought to the attention of the publisher that the article “Going beyond buildings: mindfulness and real estate user behavior”, Nicolas Seyler and Jan Mutl (2019), published in *Journal of Corporate Real Estate*, volume 21, issue 2 was published ahead of the intended special issue due to a production error. The article has now been removed from *Journal of Corporate Real Estate*, 21.2 and will instead be published in an upcoming special issue. Emerald sincerely apologises to the authors for any inconvenience caused.
