

Environmental Geotechnics: Referees 2022

The following is a list of referees who have reviewed papers for *Environmental Geotechnics* between 17 November 2021 to 17 November 2022. The Institution of Civil Engineers is very grateful for their assistance.

We are continually looking for suitable reviewers for papers submitted to *Environmental Geotechnics*. Papers published in ICE journals must be submitted to at least two independent referees to judge accuracy, style, impact, importance and interest.

If you are interested in reviewing articles on any topic related to the basic concepts, theory, techniques and field applicability of innovative testing

and analysis methodologies and engineering practices in geoenvironmental engineering, please submit your name, qualifications or CV, and areas of expertise. We are in need of individuals who will agree to review papers in a timely fashion (within 3 to 4 weeks of receipt) and provide confidential feedback to the Editorial Advisory Panel concerning the quality of the paper and any suggested revisions that would be appropriate.

If you are such a person, please contact Georgia Elliott (tel.: +44 (0)207 665 2450; e-mail: georgia.elliott@icepublishing.com) for more information on the referee process.
