Recent books

The following is a selection of recent books on the subjects of history, heritage, restoration and conservation that were added to the Institution of Civil Engineers' library collection last year.

To borrow, please contact the Library (email: library@ice.org.uk; tel.: 02076652251) and check the catalogue (see <https://www.ice.org.uk/knowledge-and-resources/ice-library>).

Readers are invited to notify the Editor about relevant new books for inclusion in a similar review in early 2022. Subject to availability of space, some of these books will be reviewed in *Engineering History and Heritage*.

Awty BG (2019) *Adventure in Iron*. The Wealden Iron Research Group, Tonbridge, UK.

Beck J, Coackley R, Jefferson L, Jefferson R and La Soci t  des Ingenieurs et Scientifiques de France (British Section) (2019) *L'Entente Cordiale: A Hundred Years of the British Section of La Soci t  des Ingenieurs et Scientifiques de France*. La Soci t , London, UK.

Coulls A (2019) *Early Railways 6: Papers from the Sixth International Early Railways Conference Held in Newcastle in June 2016*. Six Martlets Publishing for The Newcomen Society, Milton Keynes, UK.

Diamond B (2019) *Menai Suspension Bridge – The First 200 Years*. Menai Heritage, Isle of Anglesey, UK.

Engineering Heritage Australia (2019) *Wonders Never Cease: 100 Australian Engineering Achievements*. Institution of Engineers Australia, Barton, Australia.

Freyssinet (2019) *75 Years of Freyssinet*. Freyssinet, London, UK.

Gerhold D (2019) *London Bridge and its Houses, c. 1209–1761*. London Topographical Society, London, UK.

Ghiassi B and Milani G (2019) *Numerical Modelling of Masonry and Historical Structures: From Theory to Application*. Woodhead, Duxford, UK.

Gruneberg S (2019) *A Strategic Approach to the UK Construction Industry*. Routledge, London, UK and New York, NY, USA.

Halliday S and Bazalgette P (2019) *An Underground Guide to Sewers: or: Down, Through & Out in Paris, London, New York, & c.* Thames and Hudson Ltd, London, UK.

Head CR (2019) *Origins of a Global Industry. Part Two: The Arrival of Electricity*. Aqua-Media International Ltd, Wallington, UK.

Historic England (2019) *Historic Fibrous Plaster in the UK: Guidance on its Care and Management*. Historic England, Swindon, UK.

Lynn PA (2019) *World Heritage Canal: Thomas Telford and the Pontcysyllte Aqueduct*. Whittles Publishing, Caithness, UK.

McFetrich D (2019) *An Encyclopaedia of British Bridges*. Pen & Sword Books Ltd, Yorkshire, UK.

Morrison I and Waterson M (2019) *Rescue & Reuse: Communities, Heritage and Architecture*. RIBA Publishing, London, UK.

Nancollas T (2019) *Seashaken Houses: A Lighthouse History from Eddystone to Fastnet*. Penguin Books, London, UK.

Nix C, Holloway S, Bownes D and Mullins S (2019) *Hidden London: Discovering the Forgotten Underground*. London Transport Museum, London, UK, and Yale University Press, New Haven, CT, USA.

Owens V (2019) *Aqueducts and Viaducts of Britain*. Amberley Publishing, Stroud, UK.

Powell K (2019) *Tower Bridge: History, Engineering, Design*. Thames & Hudson Ltd, London, UK.

Railway & Canal Historical Society (2019) *A Bibliography of the History of Inland Waterways, Railways and Road Transport in the British Isles, 2018*. The Railway & Canal Historical Society, Drayton, UK.

Rogers J (2019) *Britain's Greatest Bridges*. Amberley Publishing, Stroud, UK.

Smith JM (2019) *Tower Bridge 1894 to Date. Operations Manual*. Haynes Publishing, Yeovil, UK.

Stride P and Bazalgette P (2019) *The Thames Tideway Tunnel: Preventing Another Great Stink*. The History Press, Stroud, UK.

Taylor J (2019) *The Building Conservation Directory 2019*, 26th edn. Cathedral Communications, Tisbury, UK.

Tomkins A (2019) *Chartered Institution of Civil Engineering Surveyors: The First 50 Years*. Chartered Institution of Civil Engineering Surveyors, Cheshire, UK.

Watson C (2019) *The John Smeaton Family from York and Their Horological Connections*. Antiquarian Horological Society, London, UK.

Wright T, Foster N and Buchanan P (2019) *Foster + Partners Portfolio 1967–2017*. Foster + Partners, London, UK.

Yates J and Murphy CN (2019) *Engineering Rules: Global Standard Setting Since 1880*. Johns Hopkins University Press, Baltimore, MD, USA.
