

Announcement: Award-winning paper in 2005

Papers published in *Engineering Sustainability* are eligible for awards from the Institution of Civil Engineers. Papers from any of the ICE journals can be nominated for several awards. In addition, each journal has awards dedicated to their specific subject area.

On Wednesday 1 November 2006, outgoing ICE president Gordon Masterton presented awards to the following paper published in *Engineering Sustainability* in 2005. The editorial panel

nominated their best papers and an awards committee chaired by John Burland allocated the awards.

The Halcrow Prize (1), presented for the second best paper on sustainability, was awarded to: Donovan R. G., Sadler J. P. and Bryson J. R. Urban biodiversity and sustainable development. *Proceedings of the Institution of Civil Engineers, Engineering Sustainability*, 2005, 158, No. 2, 105–114.
