

Corrigendum: Socioeconomic determinants of property crime offending in Ethiopia convicted offenders in focus

115

It has come to the attention of the publisher that the article Nigatu Wassie, Bekele Melese, Nahom Eyasu; Socioeconomic determinants of property crime offending in Ethiopia: convicted offenders in focus. *Journal of Financial Crime* 2 February 2023; 30 (2): 494–511. <https://doi.org/10.1108/JFC-11-2019-0145> did not acknowledge that it built on the unpublished MA thesis of author Nigatu Wassie, ‘The Socio-economic Determinants and consequences of Major Property Crimes in North Gondar Administrative Zone: The case of Convicted Offenders at Chilga District Correctional Institution’; this work was not referenced but aligns with Emerald’s policy on prior publications. The authors sincerely apologize to the readers of the journal.
