

Erratum: Classification of building defects using ensemble machine learning models: a case study

Journal of
Facilities
Management

It has come to the attention of the publisher that the article: Olanrewaju, A. and Shobowale, K. (2026), "Classification of building defects using ensemble machine learning models: a case study". *Journal of Facilities Management*, Vol. ahead-of-print No. ahead-of-print. <https://doi.org/10.1108/JFM-04-2025-0046> contained an error that was introduced during the production process. Following publication of this article, it was identified that the incorrect table was included as Table 3. The table has now been removed from the article as it was included for illustrative purposes only and presented incomplete content.

The publisher apologises for any inconvenience caused.
