

Geotechnical Engineering: Reviewers 2025

The following is a list of reviewers who have reviewed papers for *Geotechnical Engineering* between 1 January 2025 and 31 December 2025.

Emerald Publishing is very grateful for their assistance. We are continually looking for suitable reviewers for papers submitted to *Geotechnical Engineering*. Papers published in the Proceedings of the ICE must be submitted to at least two independent reviewers to judge accuracy, style, impact, importance and interest.

If you are interested in reviewing articles on any topic related to geotechnical engineering, please submit your name, qualifications or CV, and areas of expertise. We are in need of individuals who will agree to review papers in a timely fashion (within 3 to 4 weeks of receipt) and provide confidential feedback to the Editorial Advisory Panel concerning the quality of the paper and any suggested revisions that would be appropriate.

If you are such a person, please contact Alessandra Morelli (amorelli@emerald.com) for more information on the reviewers process.
