Prediction of settlement of shallow foundations on reinforced soils using neural networks

A. Soleimanbeigi and N. Hataf

The second right-hand side inset equation in Figure 3 on page 165 was reproduced incorrectly in *Geosynthetics International*, 2006, 13, No. 4, 161–170. The correct equation is reproduced below.

$$n_{out_j} = \frac{1}{1 + e^{-n_{net_j}}}$$

The publisher regrets this typographical error.
