

## Corrigendum

# Seismic stability of reinforced slopes: effects of reinforcement properties and facing rigidity

**Huang, C.-C., Horng, J.-C. and Charng, J.-J.**

REFERENCE: Huang, C.-C., Horng, J.-C. & Charng, J.-J. (2008). Seismic stability of reinforced slopes: effects of reinforcement properties and facing rigidity. *Geosynthetics International*, 15, No. 2, 107–118. [doi: 10.1680/gein.2008.15.2.107]

Equation 9 that appears on page 111 is incorrect. The correct equation is reproduced below.

$$t_p = 18.34t_m$$

The authors apologise for this typographical error.
