

Erratum

The following figures were printed incorrectly in *Geotechnique*, **51**, No. 1, pages 15–36, New descriptions of plane strain, E. T. R. Dean. A corrected version of this paper is available at www.geotechnique-ice.com.

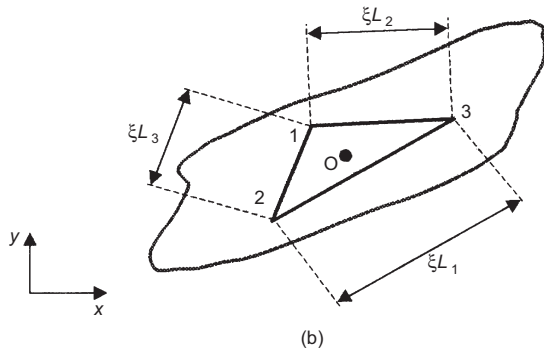

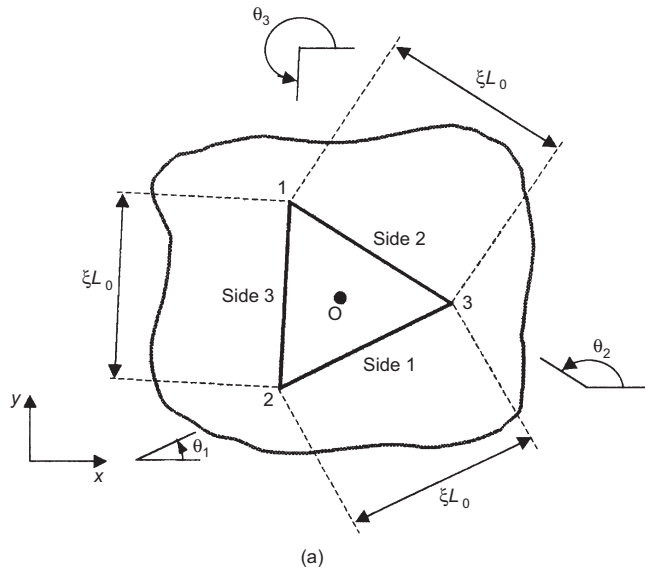

Fig. 3. Triangular representations of the same deformation. (a) Initial state. (b) Current state.

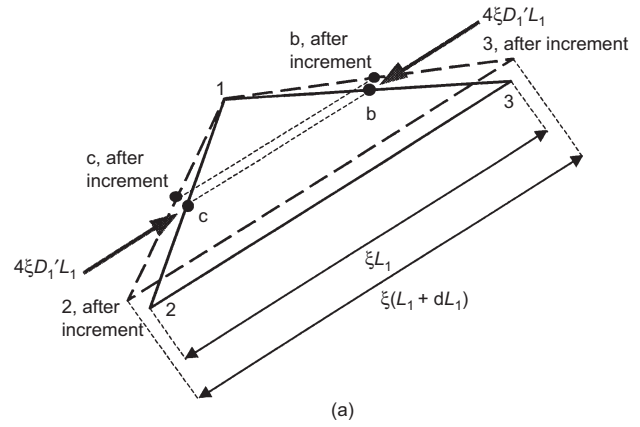

Fig. 14. Preliminary interpretations of triangular effective stresses. (a) forces $4\xi D'_1 L_1$ acting on 123 due to the first triangular effective stress D'_1 .
