

Erratum

Hu, J. *et al.* Small-strain shear strain and liquefaction resistance of sand. *Géotechnique*, <https://doi.org/10.1680/jgeot.23.00199>

It has come to the attention of the Publisher that the wrong version of the article title was published due to a production error. As a result, the title has now been corrected from:

‘Small-strain shear strain and liquefaction resistance of sand’

To

‘Small-strain shear modulus and liquefaction resistance of calcareous sand with non-plastic fines’

The Publisher sincerely apologises to the authors of the article and the readers of *Géotechnique* for the error and any misunderstanding.
