

## Management, Procurement and Law: Referees for 2007

The following is a list of referees who have reviewed papers for *Management, Procurement and Law* between 1 January 2007 and 31 December 2007.

The Institution of Civil Engineers is very grateful for their assistance. We are continually looking for suitable reviewers for papers submitted to *Management, Procurement and Law*. Papers published in the *Proceedings of the ICE* must be submitted to at least two independent referees to judge accuracy, style, impact, importance and interest.

If you are interested in reviewing articles on any topic related to geotechnical engineering, please submit your name, qualifications or CV, and areas of expertise. We are in need of individuals who will agree to review papers in a timely fashion (within 3 to 4 weeks of receipt) and provide confidential feedback to the Editorial Advisory Panel concerning the quality of the paper and any suggested revisions that would be appropriate.

If you are such a person, please contact Kathleen Hollow (tel.: 0207 665 2476; e-mail: [kathleen.hollow@ice.org.uk](mailto:kathleen.hollow@ice.org.uk)) for more information on the referee process.
