

Corrigendum: Economic thought, negotiations, and the 1959 Spanish stabilization plan: the faculty of political and economic sciences as a catalyst for transformation

Journal of
Management
History

It has come to the attention of the publisher that the article Gallego E. and Trincado E. (2026), “Economic thought, negotiations, and the 1959 Spanish stabilization plan: the faculty of political and economic sciences as a catalyst for transformation”. *Journal of Management History*, Vol. ahead-of-print No. ahead-of-print. <https://doi.org/10.1108/JMH-09-2025-0159> has published with an error in Table 4. In both columns, the word “Students” appears beside “FAIL” rather than the intended values. Authors are asked at proof stage to carefully review the article, including tables and figures, before publication.
