

EDMUND HENRY TUCK, born at Newton Abbot on the 12th December, 1857, died at Ascot on the 12th February, 1910. After gaining a fellowship of Coopers Hill College, he proceeded in 1879 to India, where he was employed for 15 years on railway construction and maintenance, chiefly on the Punjab Northern, Sind-Peshin and Umballa-Kalka lines. After his return to England, in 1894, he studied for and entered the Church, being ordained in 1900.

Mr. Tuck was elected an Associate Member of The Institution on the 4th December, 1883.

CHARLES SMITH, born on the 20th March, 1843, near Chesterfield, died suddenly in Yucatan, Mexico, on the 27th May, 1909. The mining branch of the profession claimed the greater part of his professional career, 10 years being passed in the service of the Barrow Hæmatite Iron and Steel Company, inspecting and reporting upon mines in Great Britain and on the Continent, 6 years in Brazil, and the last 20 years of his life on similar business in various other parts of the world.

Mr. Smith was elected an Associate of The Institution on the 6th April, 1875.
