

Retraction notice: Linking manufacturing firms with environment: role of green manufacturing and environmental management on firm's environmental performance with moderating effect of external environmental regulations

The publisher of the *Journal of Manufacturing Technology Management* wishes to retract the article by Samera Nazir, Saqib Mehmood, Zarish Nazir and Li Zhaolei, Linking manufacturing firms with environment: role of green manufacturing and environmental management on firm's environmental performance with moderating effect of external environmental regulations, *Journal of Manufacturing Technology Management*, 13 November, 2024; 35 (6): 1264-1291. <https://doi.org/10.1108/JMTM-10-2023-0442>. It has come to our attention that there are significant concerns regarding the authorship and the source of this article. The authors failed to provide a satisfactory explanation to these concerns. As part of the investigation, the authors were also requested to provide a copy of the dataset so that the editorial team could verify the findings. The authors failed to respond to this request with the full dataset. As a result, the findings of the article cannot be relied upon. The decision to retract has been informed by [COPE's guidelines on retractions](#) and [Emerald's publishing ethics](#). The authors would like to note that they disagree with the content of this notice. Emerald's authorship policy guidelines make it clear that authorship is a fundamental aspect of transparency in the publication process and ensures accountability and responsibility for reported research. The publisher of the journal sincerely apologizes to the readers.
