

Proceedings of the Institution of Civil Engineers 2000

Municipal Engineer Vol. 139

Author index

Introducers of informal discussions are treated as authors

Andrew R.

Community involvement—don't keep the public in the dark. June, 69–73

Ashley R.M. *see* Blackwood D.J. *et al.*

Avery I.

Composting. Sept., 159–165

**Blackwood D.J., Ashley R.M., Petrie M.,
Oltean-Dumbrava C. & Jones C.**

Making decisions for upgrading wastewater systems. Sept., 171–180

Bovaird T.

Measurable success in best value. June, 111–115

Burgess S.M.

Benchmarking for best value. June, 75–82

Costello J. & Gillingwater D.

Delivering 'best value' in a new unitary authority. June, 103–109

Coy A.C. & Walker J.R.

Best value for coastal defence services. June, 91–96

**Cragg R., Cross-Rudkin P.S.M., Dunkerly P.,
Gould M.H. & Otter R.A.**

The assessment of civil engineering heritage. Dec., 211–216

Cross-Rudkin P.S.M. *see* Cragg R. *et al.*

Davies I. *see* Green J. & Davies I.

Dunkerly P. *see* Cragg R. *et al.*

Edmonds M. & Hogan M.

Millennium Coastal Park: Llanelli Land Bridges. Mar., 21–26

Ferguson J.

The agenda for the future of waste management. Sept., 123–130

Gerstrom P.

Energy from waste and integrating the options. Sept., 131–136

Gillingwater D. *see* Costello J. & Gillingwater D.

Gossage J. *see* Wyatt S.C. *et al.*

Gould M.H. *see* Cragg R. *et al.*

Goulette S.

What a waste. Sept., 167–169

Green J. & Davies I.

A449 Coldra—Usk rehabilitation. Mar., 13–20

Hallsworth P.J.

Editorial. Dec., 195

Hogan M. *see* Edmonds M. & Hogan M.

House D.

Rhyd-y-car link footbridge, Merthyr Tydfil. Mar., 35–38

Jones C. *see* Blackwood D.J. *et al.*

Kenny R.J. *see* Wyatt S.C. *et al.*

Kilduff D.

Finding the finance—a perspective on the issues surrounding public–private wastes management partnerships in the era of best value. Sept., 137–143

Mills A. *see* Woodside A.R. *et al.*

Mountain S.

Langstone oysterbeds restoration. Dec., 217–225

Nettleton B.

Best value and direct services. June, 83–90

Nisbet A.

Transport planning performance indicators, democracy and best value. June, 97–102

Oltean-Dumbrava C. *see* Blackwood D.J. *et al.*

Otter R.A. *see* Cragg R. *et al.*

Petrie M. *see* Blackwood D.J. *et al.*

Phillips P. *see* Woodside A.R. *et al.*

Potter A.

Landfill: a prospective view. Sept., 149–151

Quinn J.R.

Waste management in a best-value framework: the Northern Ireland experience. Sept., 145–148

Read M. *see* Read S. & Read M.

Read S. & Read M.

The Phoenix flies in Birmingham. Dec., 251–258

Robinson R.

A new framework for road management. Mar., 39–48

Ross D.H.

Improving public works operations and management through establishment of nationally recognized practices. Mar., 1–8

Shardlow R.

City of Lincoln Best Value Pilot—the aftermath. June, 63–67

Sinclair N.M.

Discussion: Emerging/environmental engineering in Brazil. Dec., 273–274

AUTHOR INDEX

Smith K.G.

Managing conservation projects to avoid catastrophes. Dec., 197–203

Stopher A.

Regeneration through restoration: The Huddersfield Narrow Canal project. Dec., 233–242

Strong W.A.

Editorial. Sept., 119–121

Landfill economics—a taxing matter? Sept., 153–157

Walker J.R. *see* Coy A.C. & Walker J.R.

Wann A.R.

Holistic, integrated and sustainable regeneration in a diverse and peripheral county. Dec., 243–249

Wearne S.H.

Emergency and urgent public project management. Mar., 27–34

Williams A.

The renaissance of engineering. Dec., 267–271

Wills N.

Best value and management practice in local government: a reality check. June, 55–61

Woodside A.R., Woodward W.D.H., Phillips P. & Mills A.

Sustainable reuse of highway materials in hot and cold bituminous mixtures. Sept., 181–186

Woodward W.D.H. *see* Woodside A.R. *et al.*

Wyatt S.C., Kenny R.J. & Gossage J.

The Saltings, Millennium Coastal Park. Mar., 9–12
