

Municipal Engineer: Referees 2023

The following is a list of referees who have reviewed papers for *Municipal Engineer* between 17 November 2022 and 17 November 2023. The Institution of Civil Engineers is very grateful for their assistance.

We are continually looking for suitable reviewers for papers submitted to *Municipal Engineer*. Papers published in the *Proceedings of the ICE* must be submitted to at least two independent referees to judge accuracy, style, impact, importance and interest.

If you are interested in reviewing articles on any topic related the effect of civil engineering on local community – such as technical issues, political

interface and community participation, the sustainability agenda, cultural context, and the key dimensions of procurement, management and finance – please submit your name, qualifications or CV, and areas of expertise. We are in need of individuals who will agree to review papers in a timely fashion (within 3 to 4 weeks of receipt) and provide confidential feedback to the Editorial Advisory Panel concerning the quality of the paper and any suggested revisions that would be appropriate.

If you are such a person, please contact Jessica Evans (tel.: +44 (0)207665 2241; e-mail: jevans@emerald.com) for more information on the referee process.
