

# Errata: Twenty-first century global anthropogenic warming convective model

**Neale R. Neelameggham**  
**Brian R. Davis**

Errors appeared in this paper when it was published in *Nanomaterials and Energy* 4(2): 143–152, <http://dx.doi.org/10.1680/jnaen.15.00014>.

On page 150, in the final line of the left-hand column, the text should read  $10.6 \times 10^{20}$  J, not  $10.6 \times 1020$  J.

On page 147, in line 24 of the right-hand column, the temperature should read  $0.66^\circ\text{C}$ , not  $0.066^\circ\text{C}$ .
