

Retraction notice: Linking intangible resources to predict firm performance through technology innovation and strategic flexibility: leveraging the resource-based view of the manufacturing firms

The publisher of the *Journal of Strategy and Management* wishes to retract the article Chouayb Larabi; Linking intangible resources to predict firm performance through technology innovation and strategic flexibility: leveraging the resource-based view of the manufacturing firms. *Journal of Strategy and Management* 2025; <https://doi.org/10.1108/JSMA-08-2024-0204>. It has come to our attention that a large portion of this article is taken, without full and proper attribution, from an earlier work by Chouayb Larabi: The role of resource orientation, technology innovation, and strategic flexibility in driving firm performance. *Management & Sustainability: An Arab Review* 2025; <https://doi.org/10.1108/MSAR-08-2024-0083>. Both articles were in review simultaneously. The submission guidelines for the *Journal of Strategy and Management* make it clear that articles must be original and not infringe any existing copyright. The decision to retract has been informed by COPE's guidelines on retractions and Emerald's publishing ethics. The authors agree with this retraction. The publisher of the journal sincerely apologizes to the readers.
