# Surface Innovations: Referees 2022

The following is a list of referees who have reviewed papers for *Surface Innovations* between 1 December 2021 and 30 November 2022. The Institution of Civil Engineers (ICE) is very grateful for their assistance.

We are continually looking for suitable reviewers for papers submitted to *Surface Innovations*. Papers published in the ICE Science journals must be submitted to at least two independent referees to judge accuracy, style, impact, importance and interest.

If you are interested in reviewing articles on any topic related to surface innovations, please submit your name, qualifications or CV, and areas of expertise. We are in need of individuals who will agree to review papers in a timely fashion (within 3 to 4 weeks of receipt) and provide confidential feedback to the Editorial Advisory Panel concerning the quality of the paper and any suggested revisions that would be appropriate.

If you are such a person, please contact Rebecca Rivers (tel.: +44 (0) 207 665 2241; e-mail: [rebecca.rivers@icepublishing.com](mailto:rebecca.rivers@icepublishing.com)) for more information on the referee process.
