Urban Design and Planning: Reviewers 2025

The following is a list of reviewers who have reviewed papers for *Urban Design and Planning* between 01 January 2025 and 31 December 2025. Emerald Publishing is very grateful for their assistance.

We are continually looking for suitable reviewers for papers submitted to *Urban Design and Planning*. Papers published in ICE Publishing journals must be submitted to at least two independent reviewers to judge accuracy, style, impact, importance, and interest.

If you are interested in reviewing articles on any topic related to the design and planning of the built environment, emphasising the interfaces between theory, practice and urban policy, we are in need of individuals who will agree to review papers in a timely fashion (within 3 to 4 weeks of receipt) and provide confidential feedback to the Editorial Advisory Panel concerning the quality of the paper and any suggested revisions that would be appropriate.

If you are such a person, please contact Alessandra Morelli (e-mail: amorelli@emerald.com) for more information on the referee process.
