

Erratum: Particle-tracking model of outfall plumes in a tidal channel

S. Samuel Li PhD, PEng, MIAHR

Associate Professor in Hydrotechnical Engineering, Department of Building, Civil and Environmental Engineering, Concordia University, Montreal, Canada

Song Liu MASc

Graduate Student, Department of Building, Civil and Environmental Engineering, Concordia University, Montreal, Canada

The publisher regrets that the following errors appeared in this paper when it was published in *Water Management* **166(4)**: 175–186.

Equation 1 was published as

$$1. \quad \mathbf{r}_i(t + \Delta t) = \mathbf{r}_i(t) + \mathbf{v}(\mathbf{r}_i, t)\Delta t + \mathbf{r}_i(t)$$

It should be

$$1. \quad \mathbf{r}_i(t + \Delta t) = \mathbf{r}_i(t) + \mathbf{v}(\mathbf{r}_i, t)\Delta t + \mathbf{r}'_i(t)$$
