
Retraction notice: How is the development of library and information science in China?

The publisher of *Library Hi Tech* wishes to retract Zhu W (2025), “How is the development of library and information science in China?”. *Library Hi Tech*, Vol. 43 No. 1 pp. 204–223, doi: <https://doi.org/10.1108/LHT-04-2023-0148>.

We have been made aware of compromises to the peer review process and editorial handling of this article. As a result, the standard of the article does not meet those expected by the journal and the findings of the article cannot be relied upon. There have also been significant concerns raised about the use of irrelevant references. The decision to retract has been informed by *COPE's guidelines on Expressions of Concern* and *Emerald's publishing ethics policies*. Despite numerous attempts to contact the authors, the journal has received no response; the response of the authors would be gratefully received. The publishers of the journal sincerely apologize to the readers.
