
Retraction notice: Utilizing health-related text on social media for depression research: themes and methods

The publisher of *Library Hi Tech* wishes to retract Yao S, Wang F, Chen J, Lu Q (2025), “Utilizing health-related text on social media for depression research: themes and methods”. *Library Hi Tech*, Vol. 43 No. 1 pp. 274-294, doi: <https://doi.org/10.1108/LHT-02-2023-0076>

We have been made aware of compromises to the peer review process and editorial handling of this article. As a result, the standard of the article does not meet those expected by the journal and the findings of the article cannot be relied upon. There have also been significant concerns raised about the use of irrelevant references. The decision to retract has been informed by [COPE's guidelines on Expressions of Concern](#) and [Emerald's publishing ethics policies](#). The authors of this paper would like to note that they do not agree with the content of this notice. The publishers of the journal sincerely apologize to the readers.
