

Corrigendum: Implementation of world class manufacturing system (WCMS) by Make-in-India manufacturers – an empirical study towards competitive advantage

It has come to the attention of the publisher that the article, Murugesan T.K., Naveen Kumar R. and Sethuraman G. (2025), "Implementation of world class manufacturing system (WCMS) by Make-in-India manufacturers – an empirical study towards competitive advantage", *Measuring Business Excellence*, Vol. ahead of print No. ahead of print. <https://doi.10.1108/MBE-06-2025-0110> incorrectly listed affiliation of author Murugesan T.K.

This has now been amended from Department of Management Studies and Research Centre, CMR Institute of Technology, Hyderabad, India to Department of Management Studies and Research Centre, CMR Institute of Technology, Bengaluru, India.

The publisher kindly reminds authors to ensure that author affiliation details are provided correctly at the time of submission and carefully confirmed during the article proofing stage.
