
Retraction notice: Designing the strategic planning process: does psychological type matter?

Management
Decision

The publisher of *Management Decision* wishes to retract the article Jennings D, Disney JJ (2006), "Designing the strategic planning process: does psychological type matter?" *Management Decision*, Vol. 44 No. 5 pp. 598-614, doi: <https://doi.org/10.1108/00251740610668860>. It has come to our attention that a large portion of this article has significant similarities to an earlier work by the same authors: David Jennings and John Disney (2006). The Strategic Planning Process and its Context: The Role of Psychological Type. <https://doi.org/10.1177/030630700603100305>. We attempted to contact the authors for an explanation, but due to the time passed since the article's publication, we were not able to contact the authors. The submission guidelines for *Management Decision* make it clear that articles must be original and not infringe any existing copyright. The publisher of the journal sincerely apologizes to the readers.
