

# CONFERENCE CALENDAR

**Charles Schlosser**

*Nova Southeastern University*

The following conferences may be of interest to the readers of the *Quarterly Review of Distance Education*.

***FETC 2013 January 28-31, 2013,  
Orlando, FL***

“With more than 200 concurrent sessions and 100+ workshops, FETC 2013 is the most comprehensive event of its kind—and an invaluable resource for educational innovation in your school and district! Attend FETC 2013 and take away dozens of student-motivating teaching and learning ideas you can implement immediately—many at little, or no cost!”

***ASTD TechKnowledge January 30-  
February 1, 2013, San Jose, CA***

“ASTD will welcome more than 1,200 people who focus their daily attention on the design and delivery, management and strategy of

technology and learning. Attendees will come together alongside 70 exhibitors in the learning technology space to learn, network, and move people forward through the application of learning and technology.”

***CUE Annual Conference: “CUE to the  
Core” March 14-16, 2013, Palm Springs,  
CA***

“The CUE Conference is the largest and oldest education technology conference in California, and among the largest in the United States. For 30 years, it has been the best value. Who Should Attend? Educators, technology coordinators, administrators and those who are looking to see how technology can support student achievement.”

***Sloan-C Blended Learning Conference  
and Workshop July 8-9, 2013,  
Milwaukee, WI***

“This year’s conference theme, ‘Perfecting the Blend,’ reflects our current efforts to further explore the blending of the student experience through practice and research while harnessing the potential of new and emerging technologies, pedagogies, and practices in a greater array of educational institutions facilitating an overall improvement in the state of education.”
