The following conferences may be of interest to the readers of the *Quarterly Review of Distance Education*.

United States Distance Learning Association Annual Conference, May 10-12, St. Louis, MO

“The United States Distance Learning Association (USDLA) 2016 National Conference is the premier event for professionals in the distance learning industry. This year’s conference ... promises to deliver an action-packed agenda that will bring together distance learning practitioners from across the country to St. Louis, Missouri. The format of the event allows attendees to learn about relevant topics from many different points of view. The moderate size makes it possible for attendees to actively participate. This year’s conference will include not only concurrent sessions, but also poster, panel, and collaborative sessions.”
