

CONFERENCE CALENDAR

Charles Schlosser

Nova Southeastern University

The following conferences may be of interest to the readers of the *Quarterly Review of Distance Education*.

***FETC, January 24-27, 2017,
Orlando, FL***

“The Future of Education Technology Conference offers unparalleled opportunities to explore the evolving role of technology in the enhancement of learning and improvement of performance in pre-K–12 schools and districts. FETC brings together a collaborative community of educational leaders and technology experts to exchange techniques and empower participants with strategies for teaching and learning success.”

SITE 2017, March 5-9, 2017, Austin, TX

“SITE 2017 is the 28th annual conference of the Society for Information Technology and Teacher Education. This society represents individual teacher educators and affiliated organizations of teacher educators in all disciplines, who are interested in the creation and

dissemination of knowledge about the use of information technology in teacher education and faculty/staff development... You are invited to attend and participate in this annual international forum which offer numerous opportunities to share your ideas, explore the research, development, and applications, and to network with the leaders in this important field of teacher education and technology.”
