

Erratum: Cohesion in metaverse business research

184

It has come to the attention of the publisher that the peer-review history dates for the article Fülöp M.T. and Ionescu C.A. (2026), “Cohesion in metaverse business research”, *RAE: Revista de Administracao de Empresas*, Vol. 66 No. 1 pp. 1-23, doi: <https://doi.org/10.1108/RAE-03-2026-0013> were incorrectly published.

At publication, the received and accepted dates reflected the manuscript’s submission history within the publisher submission system rather than the article’s full peer-review history prior to transfer. The correct dates are Received 12th February 2025 and Accepted 22nd December 2025.

These errors were introduced during the publication process, for which the publisher apologises.
