

Corrigendum: The entry mode choice process of emerging-market multinational enterprises in other emerging markets: a multiple-case study of Turkish firms in Pakistan

It has come to the attention of the publisher that article Danişman, A. and Azeem, A. (2026), “The entry mode choice process of emerging-market multinational enterprises in other emerging markets: a multiple-case study of Turkish firms in Pakistan”, *Review of International Business and Strategy*, Vol. 36 No. 3, pp. 347-386. <https://doi.org/10.1108/RIBS-01-2025-0019> published with incorrect Figure 1.

The correct Figure 1 is provided below:

The publisher asks that figures be submitted correctly at submission and confirmed at article proofing stage.
