Editor's note

Acknowledgement to reviewers

A sincere thank you to all those who have helped us to review during 2017 (i.e. since I tookover as Editor-in-Chief, 1st October 2016); you are all listed below. The reviewers are the hub around which the journal revolves. Without your accurate, high-quality and swift reviews, without your helpful and constructive comments, without your suggestions for how to improve manuscripts, without your true commitment, there would be no *The Learning Organization* journal. Thank you!
