

## Acknowledgement to reviewers 2020

A sincere thank you to all those who have helped us to review during 2020 and/or for the articles in Volume 27; you are all listed below. The reviewers are the hub around which the journal revolves. Without your accurate, high-quality and swift reviews, your helpful and constructive comments, your suggestions for how to improve manuscripts and your true commitment, there would be no *The Learning Organization* journal. Thank you!
