
Retraction notice: Predicting future diseases based on existing health status using link prediction

The publishers of *World Journal of Engineering* wish to retract the article Shabaz, M. and Garg, U. (2022), “Predicting

future diseases based on existing health status using link prediction”, *World Journal of Engineering*, Vol. 19 No. 1, pp. 29-32. <https://doi.org/10.1108/WJE-10-2020-0533>

An internal investigation into a series of submissions has uncovered evidence that the peer review process was compromised. As a result of these concerns, the findings of the article cannot be relied upon. This decision has been taken in accordance with Emerald’s publishing ethics and the COPE guidelines on retractions.

The publishers of the journal sincerely apologize to the readers.
