
Retraction notice: An intrusion detection system for health-care system using machine and deep learning

The publishers of the *World Journal of Engineering* wish to retract the article Pande, S., Khamparia, A. and Gupta, D. (2022), “An intrusion detection system for health-care

system using machine and deep learning”, *World Journal of Engineering*, Vol. 19 No. 2, pp. 166-174, <https://doi.org/10.1108/WJE-04-2021-0204>.

An internal investigation into a series of submissions has uncovered evidence that the peer review process was compromised. As a result of these concerns, the findings of the article cannot be relied upon. This decision has been taken in accordance with Emerald’s publishing ethics and the COPE guidelines on retractions.

The authors of this paper would like to note that they do not agree with the content of this notice.

The publishers of the journal sincerely apologize to the readers.
