
Retraction notice: Water generation from atmospheric air by using desiccant materials- nature- based solution – a review

The publishers of *World Journal of Engineering* wish to retract the article by Manoj Kumar, Neeraj Mehla, Shobhit

Srivastava, Ravi Kant Ravi (2022), “Water generation from atmospheric air by using desiccant materials- nature-based solution – a review”, published in *World Journal of Engineering*, Vol. ahead-of-print, No. ahead-of-print, <https://doi.org/10.1108/WJE-07-2021-0420>. It has come to our attention that there are concerns that the peer review process was compromised and that as a result the findings cannot be relied upon. The publisher of the journal sincerely apologises to the readers.
